

Girl from the North Country Fair

F Am Bb F
If you're travelin' in the north country fair,
F Am Bb C
Where the winds hit heavy on the borderline,
F Am Bb F
Remember me to one who lives there.
F Am B F
She once was a true love of mine.

F Am Bb F
Well, if you go when the snowflakes storm,
F Am Bb C
When the rivers freeze and summer ends,
F Am B F
Please see if she's wearing a coat so warm,
F Am B F
To keep her from the howlin' winds.

F Am Bb F
Please see for me if her hair hangs long,
F Am Bb C
If it rolls and flows all down her breast.
F Am Bb F
Please see for me if her hair hangs long,
F Am B F
That's the way I remember her best.

F Am Bb F
I'm a-wonderin' if she remembers me at all.
F Am Bb C
Many times I've often prayed
F Am Bb F
In the darkness of my night,
F Am Bb F
In the brightness of my day.

F Am Bb F
So if you're travelin' in the north country fair,
F Am Bb C
Where the winds hit heavy on the borderline,
F Am Bb F
Remember me to one who lives there.
F Am B F
She once was a true love of mine.

Bob Dylan
