

HOW LONG BLUES

LEROY CARR

A A7 D D7 A E7 A E7

A A7
How long, babe how long,

D D7
Has that evening train been gone?

A E7 A
How long, how how long, baby how long?

Went to the [A] station, watched my baby leavin' [A7] town.
I was disgusted [D] nowhere could peace be [D7] found.
How [A] long, how how [E7] long, baby how [A] long?

I can hear the whistle [A] blowin', didn't see no [A7] train.
Deep down in my [D] heart baby, I have an aching [D7] pain.
How [A] long, how how [E7] long, baby how [A] long?

I feel so dis[A]gusted, I feel so [A7] blue
Hardly know [D] just what to [D7] do.
How [A] long, how how [E7] long, baby how [A] long?

If I could [A] holler, like a mountain [A7] jack
I'd go up on the [D] mountain, I'd call my baby [D7] back.
How [A] long, how how [E7] long, baby how [A] long?

Solo on verse

You're gonna be [A] sorry, that you done me [A7] wrong
It'll be too late [D] baby, I will be [D7] gone
So [A] long, so [E7] long, so [A] long?

My mind get to [A] ramblin', I feel so [A7] bad
Thinking 'bout the [D] bad luck that I have [D7] had.
How [A] long, how how [E7] long, baby how [A] long? [E7] [A] [A7]
