```
              C                                    Dm
```
I've been down this road before, I remember every tree
```
        G                                    C
```
Every single blade of grass holds a special place for me
```
          C                          Dm
```
And I remember every town and every hotel room
```
        G                            C
```
And every song I ever sang on a guitar out of tune

Chorus 1
```
        F                      C
```
I remember everything - things I can't forget
```
                  D7                          G
```
The way you turned and smiled on me on the night that we first met
```
            F                          C
```
And I remember every night, your ocean eyes of blue
```
              G                        C
```
How I miss you in the morning light, like roses miss the dew

Instrumental F   C   G G7 C
```
              C                    Dm
```
I've been down this road before alone as I can be
```
        G                            C
```
Careful not to let my past go sneaking up on me
```
              C                          Dm
```
Got no future in my happiness, though regrets are very few
```
            G                          C
```
Sometimes a little tenderness was the best that I could do

Chorus 2
```
        F                          C
```
I remember everything things I can't forget
```
                  D7                          G
```
Swimming pools of butterflies that slipped right through the net
```
          C                          Dm
```
And I remember every night your ocean eyes of blue
```
              G                        C
```
How I miss you in the morning light, like roses miss the dew
```
              G                        C
```
How I miss you in the morning light, like roses miss the dew
