# JAMES FORD MURPHY - DISNEY

INTRO: C G F C G

C G F  
A long long time ago there was a volcano  
C G  
living all alone in the middle of the sea  
C G F  
He sat high above his bed watching all the couples play  
C G  
And wishing that he had someone too

C G  
And from his lava came this song of hope that he sang  
F C G  
out loud everyday for years and years

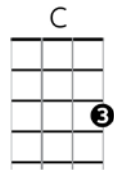

CHORUS:

F C  
I have a dream I hope will come true  
G C  
That your here with me and I'm here with you  
F C  
I wish that the earth sea and the sky up above  
F G C  
will send me someone to lava

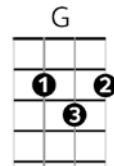

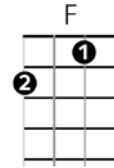

C G  
Years of singing all alone turned his lava into stone  
F C G  
until he was on the brink of extinction  
C G  
but little did he know that living in the sea below  
F C G  
another volcano was listening to his song

C G  
Everyday she heard his tune her lava grew and grew  
F C G  
because she believed his song was meant for her  
C G  
Now she was so ready to meet him above the sea  
F C G  
As he sang his song of hope for the last time

F C  
I have a dream I hope will come true  
G C  
That your here with me and I'm here with you  
F C  
I wish that the earth sea and the sky up above  
F G C

F

will send me someone to lava

C G  
Rising from the sea below stood a lovely volcano  
F C G  
Looking all around but she could not see him  
C G  
He tried to sing to let her know that she was not there alone  
F C G  
But with no, lava his, song was all gone  
C C  
He filled the sea, with his tears and watched his dreams disappear  
F C G  
As she remembered what his song meant to her

CHORUS:

F C  
I have a dream I hope will come true  
G C  
That your here with me and I'm here with you  
F C  
I wish that the earth sea and the sky up above  
F G C  
will send me someone to lava

C G  
Oh they were so happy to finally meet above the sea  
F G C  
All together now their lava grew and grew  
C G  
The longer are they all alone with aloha as their new home  
F C G  
And when you visit them this is what they sing

F C  
I have a dream I hope will come true  
G C  
That you'll grow old with me and I'll grow old with you  
F C  
We thank the earth sea and the sky we thank too

F G C  
I lava you  
F G C  
I lava you  
F G C  
I lava you
