

WHEN THAT EVENING SUN GOES DOWN

LEROY CARR

Intro: A walkdown

First note=A

A **A7**
In the evening, baby, in the evening, when the sun goes down

D **A**
In the evening, when the sun goes down

E7 **D** **A**
Sure gets lonesome when the one you love is not around

A **A7** **F7** **E7**
When the sun go down

A **A7**
Last night, when I lay' sleepin', I declare, I was sleepin' all by myself

D **A**
Last night, when I lay sleepin', darlin', and I declare it was all by myself

E7 **D** **A**
When you're lovin' somebody, and she's sleepin' with somebody else

E7
When the sun goes down

A **A7**
In the evenin', in the evenin', Mama when the sun go down

D **A**
In the evenin', darlin', I declare when the sun go down

E7 **D** **A**
Yeah, it's so lonesome, it's so lonesome, when the one you love is not around

E7
When the sun go down

A **A7**
The sun rises in the east, and I declare it sets way over in the west

D **A**
Sun rises in the east, darlin', and I declare it sets way over in the west

E7 **D** **A**
Yes it's so hard, it's so hard to tell, I declare which one that'll treat you the best

E7
When the sun go down

A **A7**
So goodbye, old sweethearts and pals, yes I declare I'm goin' away

D **A**
I may be back to see you again, little girl some old rainy day

E7 **D** **A**
Yes in the evenin', in the evenin'. I declare when the sun go down

E7
When the sun go down
