G

There's a rabbit in the log and I ain't got no dog

D

How will I get him, I know

G

I'll get me a briar and I'll twist it in his hair

D

G

That's how I'll get him, I know.

CHORUS

C

G

I know (I know), I know (I surely know)

D

That's how I'll get him, I know (I know),

G

I'll get me a briar and I'll twist it in his hair

D

G

That's how I'll get him, I know

[G] I'll build me a fire and I'll cook that old hare

Roast him in the flames [D] good and brown

Have a [G] feast here tonight while the moon's shinin' bright

And find me a [D] place to lie [G] down

[C] To lie down (to lie down) [G] to lie down (to lie down)

Find me a place to lie [D] down

Have a [G] feast here tonight while the moon's shinin' bright

And find me a [D] place to lie [G] down

[G] I'm going down that track got my coat on my back

Soles on my shoes nearly [D] gone

Just a [G] ways ahead there's an old farmer's shed

That's where I'll rest my [D] weary [G] bones

[C] Weary bones (weary bones) [G] weary bones (weary bones)

Well that's where I'll rest my weary [D] bones

Just a little [G] ways ahead there's an old farmer's shed

That's where I'll rest my [D] weary [G] bones
